Government Assistance for Farmers Experiencing Hardship

Many dairy farmers will face challenging times as a consequence of downgraded milk prices, ongoing market volatility and dry conditions. The following government programs may be of assistance to farmers, their families and staff.

Farm Household Allowance

The allowance provides up to three years of income support for farmers and their families experiencing financial hardship.

Basic eligibility requirements include:

- ▶ be a farmer or the partner of a farmer.
- ▶ meet an income and assets test
- ▶ be willing to undertake a Farm Financial Assessment, and
- ▶ be willing to enter into a Financial Improvement Agreement to help you improve your financial circumstances.

Eligible farmers and their partners will automatically be entitled to a Health Care Card. Other benefits such as Pharmaceutical Allowance and Rent Assistance may be available.

Look Over the Farm Gate

Victorian Government funding is available to deliver grants of \$1500 to community groups, to run social events that bring neighbours and the community together to spend some time off the farm to relax with family and friends. This may be as simple as hosting a free community barbeque or other social gathering.
