

Seasonal Conditions

Tactics for Dry Times: Shed Days

A series of short sharp meetings focused on planning for “Recovery” after the unseasonal dry conditions. Shed days are a joint collaboration between the Gippsland Young Dairy Network, GippsDairy, Fonterra, DEDJTR, and Rural Health Professionals.

Tactics for Dry Times: Shed Days to include:

- Tips for renovating/resowing paddocks
- Stock and domestic water planning
- Feeding options and income effect
- Building a feed wedge after the autumn break
- Cash flow strategies/coping with debt
- Young stock development
- Farmer health check
- Animal health issues – including crop toxicity in livestock

Date: Tuesday, 22 March
Host: Wendy Wheelan, Sharefarming for Peter & Jan Best
Facilitator: Matt Hall, Matt Hall Farm Consulting
Location: 5310 South Gippsland Highway, Toora
Time: 11am to 2.30pm

Lunch provided, please RSVP with John Gallienne 0407 863 493 or gallienne@dcsi.net.au

These *Tactics for Dry Times* days have been supported by Dairy Australia through GippsDairy, as well as the voluntary contribution of local farmers and service providers.
